

Safe Routes to School Sidewalk Construction

This is a message from the North Andover DPW.

On Monday May 9th the Massachusetts Department of Transportation Mass DOT) is beginning sidewalk construction on Greene Street from Mass. Ave. to Faulkner Rd. and on Parker St. from Greene Street into the Middle School property. This is being done under the Safe Routes to School Program funded by the state and federal governments. Mass DOT representatives will be on site to coordinate the project. Information will be distributed to houses that may be affected by the construction as the contractor moves along the streets. The project will be completed in the fall of 2016. If you should have any questions call Curtis Johnson at the DPW at 978-685-0950 x 44014.
